

HOUGH ON THE HILL, GELSTON AND BRANDON NEIGHBOURHOOD PLAN

LANDSCAPE CHARACTER ASSESSMENT RESIDENTS QUESTIONNAIRE

As part of the proposed neighbourhood plan, a local landscape character assessment is being prepared. A key part of this assessment is gaining an understanding of how local residents consider and experience the landscape. *We would be very grateful if you would answer the following questions.*

1 - Which 5 words would you use to best describe the character of the countryside within the parish?

2 - What are the 5 key elements, landmarks or features that you associate with the surrounding countryside?

3 - What do you value most about your local countryside? (continue over leaf if required)

4 - What, if any, are the negative aspects of the surrounding countryside? (continue over leaf if required)

5 - Thinking about how you experience the local countryside, what, if any improvements could be made to enhancing this experience? (continue over leaf if required)

6 - How often do you use the local footpaths/bridleways etc? (please tick)

Regularly (more than once a month);

Occasionally (several times a year)

Rarely (once or twice a year);

Never

7 - Which is your favourite footpath/walk/local area and why? (continue over leaf if required)

Next Steps – Workshop

The Landscape Character Assessment is being compiled on behalf of the Parish Council by landscape architects, Allen Pyke Associates. In addition to this questionnaire we would value the input of residents at a short workshop event being held on Wednesday, 18th September, 7pm at All Saints Church, Hough on the Hill.

Please provide your contact details below if you would be interested in attending this event.
